

Dev Team Items

- Midterm Evaluation

Questions if we have time

- Do we want a separate page to show only part without the listings
- What are the differences between moderators and admins
- Elaborate further on friend's list

New requirement questions

- Do we want to have whole wheelchairs listed on the site and not just parts?
- Should parts be linked to a wheelchair?

MIF Items

- New requirement

Coach Items

Notes

- New Requirement
 - A few more fields to the schema to help locate the parts get specifications and assist the volunteers in connecting the clients and the parts that are needed
 - Have whole wheelchairs?
 - Emphasize power equipment
 - Multi-search
 - Similar to GitLab tags, but searching through attributes to see if a part has an X attribute and Y attribute
 - Powerchair parts don't translate to manual parts
 - + Walkers
 - Whole walker (won't repair walker)
 - +canes
 - + Walking assist
 - Users can add new attributes (indefinite list)
 - Dictionary? {attribute: value}
 - Tiers of severity?
 - Full time
 - Semi-ambulatory (part-time)
 - Travel chairs
 - Powered
 - Manual
 - Manual
 - Shower chair
 - Toiletry chair
 - Keyword tagging system
 - Users can make a new tag but the system tries to encourage users to use pre-existing tags
 - Can only be under a single category
 - 2 cats for manual & 2 categories for power chairs
- Tagging systems
 - If tags are made by users cant prevent idiots
 - Help customers by combining tags, using suggested tags, boolean to add/subtract tags from searching

- Forum mod to go in and fix stuff to search for stuff used once, irrelevant, correcting misspelled tags
 - Possible role for admin/moderators
 - Out of scope??
- FULL WHEELCHAIRS, not just parts
 - Generic by using a text box instead of radio buttons
- CALIFORNIA GIRLSSSS + other biddies (states)
- UI Questions
 - A page to show all the parts + listings
 - No sole parts page
 - Every model is vastly different bc companies wanna have a monopoly on the chair parts
- Admin v Moderator
 - Admin
 - Our thought: can create subforums and moderate
 - Moderator
 - Our thought: just moderate
- Forums
 - Physical parts
 - “Hey, do you have this part?”
 - Questions about fixes
 - “Hey do yk how to fix this part”
 - Structure
 - ~Stackoverflow
 - ~Quora
 - More question-and-answer-based
- Friends list
 - For direct communications, and have the info at the ready
